PROGRAMS: All programs are five days a week. Partial week enrollment is not available.

ENROLLMENT FEE: A non-refundable enrollment fee of \$400 per child is due each year with the signed enrollment contract. That amount is reduced by 50% if renewed during our re-enrollment drive, January-February.

AFFORDABILITY: We believe that quality education should be within reach for every family. That's why Whitegate keeps tuition purposefully low to make Montessori education affordable for all. Additionally, we provide several 0% interest installment plans to ease the financial journey for families.

TUITION: Tuition is an annual rate and can be billed in one payment or two, four, ten, or twelve installments.

Enrollment contracts are agreements to pay the total amount of annual tuition. Tuition is not prorated due to vacations, school breaks, interruptions in the school year schedule, including withdrawal. Installments are to be paid by the first of the month due, and any installment payment remaining unpaid by the 6th of the month is considered past due and will be assessed as a late fee of \$25 per month.

SIBLING DISCOUNT: For each additional sibling enrolled concurrently at WMLS, the following discount applies—\$720 per year or \$360 per two installments or \$180 per four installments or \$72 per ten installments or \$60 per twelve installments. *Some families wish to waive available discounts to aid WMLS in serving our economically diverse community.*

DROP-IN RATE FOR EARLY CARE/LATE STAY: Use of before or after care is available to each student as needed on a drop-in basis without prior registration at \$10 per session per child (early or late). Payment is due that day via Venmo or cash.

NOTICE OF NON-DISCRIMINATION: Whitegate Montessori Land School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate based on race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered program.
